Electronics

Need power for laptop, mixer, iPad, click, fan

Miscellaneous

- Rug or carpet large enough to fit the entire drum set on. (dark color preferred)
- Percussion Table (must be at least 18" wide to accommodate a 4-channel mixer & hand percussion. A rolling case will work but not preferred)

Notes

Don't set-up drum kit... just bring all components next to the drum riser. If this is a shared kit, please see the picture below for tom placement.

I will supply my own in-ear monitors to be hard wired into my mixing board for monitors.

Call or text 615-319-5321 if you have any questions.

Multi-pad is shown but isn't used in the current configuration
